

IN STOCK AND READY TO ROLL

right to where your customer needs it

The MSC-6K is a 6,000lb capacity Mobile Lift with fully adjustable arms and a great addition to any garage.

This is no “Hobby” lift. With a thick 13” x 10” column, 846 leaf chain, 3” x 36” cylinder and a full 72” lifting height this is the real deal. We’ve got them in Cleburne and they’re ready to ship
