

## Model WB-1120

Announcing the addition of a new state-of-the-art  
TIRE BALANCER to the Tuxedo line-up

Our new wheel balancer is equipped with **automatic data entry** for faster set-up time and more accurate readings. Just enter the tire width and you're ready to go. With the same specifications and performance as our WB-1090, this is sure to give the competition something to worry about.

They're in stock and ready to ship. Give us a call at 817-558-9337.

- Large easy to read screen
- Auto data entry
- Self-calibrating
- Dynamic, static and alloy capability
- Three centering cones, hammer and calipers
- Speed nut standard
- Pegs for accessories
- Weight storage
